NOTICE OF PROPOSED RULE MAKING

Adopted: April 23, 1997;

Released: May 2, 1997

Comment Date: June 23, 1997

Reply Comment Date: July 8, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Mountain Tower Broadcasting ("petitioner"), proposing the allotment of Channel 228A at Moorcroft, Wyoming, as the community's first local aural transmission service. Petitioner states its intention to apply for the channel, if allotted.

2. In support of its proposal, petitioner states that Moorcroft is located in Crook County, Wyoming, with a 1990 U.S. Census population of 768 persons.¹ Petitioner further states that the allotment would provide an outlet for local self-expression. Additionally, health and safety for the community would be increased due to having a local communication outlet for warning the community of emergency conditions caused by severe weather or other health hazards.

3. We believe the proposal warrants consideration since the proposed allotment of Channel 228A at Moorcroft, Wyoming, could provide the community with its first local aural transmission service. An engineering analysis has determined that Channel 228A can be allotted to Moorcroft in compliance with the Commission's minimum distance separation requirements at city reference coordinates.²

¹Moorcroft is also listed in the 1995 Rand McNally Commercial Atlas as an incorporated community with a zip code and a post office.

²The coordinates for Channel 228A at Moorcroft are North Latitude 44-15-54 and West Longitude 104-57-06.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Moorcroft, Wyoming	---	228A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before June 23, 1997, and reply comments on or before July 8, 1997, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Victor A. Michael, Jr., President
Mountain Tower Broadcasting

Cheyenne, Wyoming 82001
(Counsel for Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Sharon P. McDonald, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence

or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
